Connecting, Supporting and Celebrating

Tasmanian Rural Women

Back where it all began!!!

Saturday 4th October 2014

We welcome you to attend this Celebration of the 20th year of Tasmanian Women in Agriculture.

When contemplating how this should be celebrated, it seemed fitting and a popular idea to travel back to the place where it all began – at Scottsdale in the North East of Tasmania.

Tasmanian Women in Agriculture began as a result of two events in 1994 that brought together like minded rural women who were keen to improve the status of rural women and help them to connect and strengthen their communities. In May 1994 the Scottsdale Business and Professional Women joined with the North East Dairy Women's Discussion Group to organise the first Tasmanian "Women on Farms" gathering at Scottsdale. Over 140 women from across Tasmania, representing all industry levels attended. Many of them didn't really know what this 'gathering business' was all about, however it was a chance to hear great speakers and connect with other rural women.

Hence, now is the time to celebrate the 20th Anniversary of Tasmanian Women in Agriculture Inc. – 'Back Where it all Began.'

On October 4th 2014, the day will commence 11.00 am at LINC Centre, King St, Scottsdale for viewing of memorabilia, networking and lunch. You will then be transported to the Scottsdale High School Farm for viewing of a demonstration by the Local Cattle Handlers and see how they are learning to handle livestock as a step into future careers in Agriculture.

While enjoying a two course evening dinner at local restaurant Anabels, we will be entertained by Rose Grant of ABC Rural Radio. Let's see how the organisation has grown over the years !

So now, whether you helped organise the first gathering, you are a current member, or an interested rural woman, we welcome you to attend the 20th Anniversary Celebrations at Scottsdale. Come along and renew old acquaintances or meet new people and join in the festivities !

This Celebration is bound to be a memorable occasion, so please spread the word, perhaps ask a friend or new neighbour to join you for what will be a very memorable time of connecting, supporting and celebrating Tasmanian Rural Women. Don't delay in sending off your registration form—do it now!
